

Dorset Creative Dance

Creative Minis Class Information

What to wear and bring

Creative Minis should wear clothing that is comfortable to move in, ideally leggings and a top.

Please bring a bottle of water as we will have a short drink break.

Remove any jewellery and tie hair back.

We dance in bare feet.

Please make sure little ones have been to the toilet before class and washed their hands.

On arrival

Please arrive no more than 5 minutes before the start of class.

Wait outside, socially distanced & wearing a mask, until a member of staff welcomes you inside.

We kindly ask that you wear a mask upon entry into the building, and whilst you are settling your child into the class.

Please wash or sanitize hands on arrival.

Remove your outdoor shoes before entering the dance activity space.

Make the teacher aware upon arrival of any new medical conditions that weren't detailed when booking.

During Classes

Parents sitting in for a taster class must wear a mask at all times.

No snacks are permitted during class.

We will have received your contact details online when booking so we will have your details to contact if necessary during class.

Please be contactable for the duration of the class.

After class

Please collect your children from the side entrance to the dance space.

Dorset Creative Dance

Creative Minis Class Information

If you need to come inside to help your little one get ready, please wear a mask.

Please collect up your belongings and leave the space as soon as possible. We are trying to avoid any crossovers between classes.

Children will not be released unless parents/guardians are present.

Lateness

Unfortunately we cannot allow late attendees of more than 5 minutes into the Creative Minis classes as an essential warm up is carried out at the start of class.

Contact us if you have any questions!

We can't wait to meet and dance with you soon!
